

Reading the SMV Calendar

The right side of the SMV Home Page lists a few upcoming SMV events. To view the full calendar, double click on the word "More" at the bottom of those events. The current month will be displayed.

We also added an item under "Schedules" that has a hyperlink to the same SMV calendar.

To view another month, double click on the arrows on either side of the name of the month displayed.

You can volunteer to maintain the calendar for your ministry. To volunteer, contact the parish office.
